Her score has really improved.

【Comment from Student A】

Some subjects are difficult for me, but teachers taught me with patience and enthusiasm. My favorite point of CET is that the staff feedback quickly when I have questions.

● Christmas Party

CET organizes school events where teachers, staffs and students can get along together every month. In December, we had a Christmas party at a popular Chinese restaurant. This year's theme was "Oscar" and it's perfect for pictorial. We enjoyed food, exchange gifts, dancing, games, raffle and so on. Monthly events are a valuable opportunity to communicate with other teachers and staffs who rarely talk! ♪(^_^)♪

● Special Cleaning

We hired professional company for special cleaning. They vacuumed mattresses and dried them under the sun. They applied insect control to rooms.

● First Aid and C.P.R

Our school nurse was demonstrating C.P.R. and first aid. The teachers were eager to learn it and ready for any emergencies.
